Recent guests Kate Julian – an editor at *The New Yorker* – and Andrew Weiss offered these kind words: “Sheryl Cahill, Pamela Ferrari, and the rest of the Station House Cafe staff were fantastic. We held two events on the cafe’s patio the weekend of our wedding – a pre-nuptial dinner and a post-nuptial breakfast – both of which were overwhelming successes. I can’t think of a lovelier setting for an outdoor dinner. Sheryl and Pam handled everything from planning to set-up to final details with efficiency, tact and good cheer. The food was fantastic, as were Sheryl’s wine & beer selections. Several weeks later, we’re still hearing raves from our guests.”
